

GENERAL TERMS AND CONDITIONS FOR THE PURCHASE OF SERVICES - NORDICS

1. Definition

The term “**Agreement**” as used in these General Terms and Conditions shall mean either (i) the purchase order, issued by any entity of the ESSITY group (“ESSITY”), together with any documents expressly incorporated therein, including these General Terms and Conditions, or (ii) the service agreement, if one was entered into by ESSITY and Supplier, all appendices attached thereto, including these General Terms and Conditions (collectively the “**Frame Agreement**”), and the relevant purchase orders made pursuant to the Frame Agreement. These documents are an integral part of the Agreement and are meant to supplement each other.

2. Application

- 2.1 ESSITY’s obligation to purchase and Supplier’s obligation to provide Services shall be evidenced by purchase orders issued from time-to-time by ESSITY (individually, a “**Purchase Order**”, and, collectively, “Purchase Orders”).
- 2.2 Supplier’s performance against a Purchase Order constitutes its unconditional acceptance of these General Terms and Conditions.
- 2.3 Terms and Conditions proposed by Supplier that are different from or in addition to the provisions of the Agreement are expressly rejected by ESSITY and shall form no part of the Agreement.
- 2.4 In the event of a conflict between the Purchase Order and the Frame Agreement, the Frame Agreement shall take precedence.

3. Condition of the Services

- 3.1 The Services to be provided shall be defined by an agreed specification included in the Purchase order, the Frame Agreement or in a separate document.
- 3.2 The Services shall be of first-class quality and the Supplier shall exercise due care and diligence in the performance of the Services.
- 3.3 Supplier shall freely and independently arrange its activities, which it undertakes to pursue with all due diligence and in compliance with all laws and regulations applicable to these activities. If Supplier

- 3.4 Supplier shall bear all costs occasioned by its activity and all social security and tax charges in relation to its business.
- 3.5 Unless otherwise agreed, Supplier shall provide all tools, supplies and any other means, as well as sufficient skilled human resources, necessary to fulfil its obligations under the Agreement.

4. Invoicing and Payment

- 4.1 Unless otherwise provided in the Agreement or required by law, payment is due 90 days from the date of invoice.
- 4.2 ESSITY may withhold payment if Supplier's invoice is inaccurate, does not meet ESSITY's reasonable requirements or fails to satisfy applicable legal or tax requirements. Supplier shall include all documentation reasonably required by ESSITY to support Supplier's claim for payment.
- 4.3 Payment for the Services shall not constitute acceptance.

5. Delivery

- 5.1 The Services shall be performed in accordance with the agreed time table.
- 5.2 Supplier shall inform ESSITY immediately of any potential delay in delivery of the Services. Acceptance of delayed delivery shall not constitute a waiver of ESSITY's rights or remedies.

Title to and risk of loss with respect to goods, materials or other results ("Work Product") included in the Services, if any, shall pass to ESSITY on delivery.

7. Warranties and Guarantees

- 7.2 Supplier's warranties and guarantees shall survive acceptance and shall continue until the date a warranty period for the Services under applicable law expires, if any, or if no such warranty period exists, until ESSITY's right to claim shall be statute-barred under applicable law but in no event less than two years following ESSITY's receipt of the Services.

8. Remedies for defective Services

- 8.1 ESSITY shall have the right to put Supplier on notice of defects within a reasonable time following the detection of a defect provided that such defect appears to have been detected during the applicable warranty or claim period.

8.2 Supplier shall, at ESSITY discretion, rectify the defect, re-perform the Services, deliver substitute Work Product included in the Services, if any, or reduce the price of the defective Services. ESSITY's option in this regard is an absolute and unconditional right. Furthermore Supplier shall indemnify ESSITY against losses arising from defective Services or Work Product included in the Services according to section 10 below.

9. Remedies in the event of delay in the delivery of the Services

If the Services are not delivered or delivered late ESSITY shall have an absolute and unconditional right to demand performance or terminate the Agreement. Furthermore Supplier shall indemnify ESSITY against losses arising from such delay according to section 10 below.

10. Indemnity

Supplier shall indemnify, defend and hold ESSITY harmless, from and against any and all claims, demands, suits, actions, causes of action, liabilities, fines, penalties, losses, damages and expenses, including, without limitation, attorney's fees and charges arising from or related to Supplier's acts or omissions in its performance of the Agreement, including, without limitation, a breach by Supplier of any of its warranties or guarantees.

11. Proprietary Rights

11.1 ESSITY shall retain ownership of its intellectual property and other proprietary rights. Supplier may use such rights only to the extent necessary to fulfill its obligations under the Agreement. In particular, Work Product utilizing intellectual property or other proprietary rights owned by or licensed to ESSITY may not be used for Supplier's own use or sold to third parties without ESSITY's consent.

11.2 Except as provided under section 11.3, all intellectual property and/or proprietary rights obtained during the performance of Services and included in the Work Product shall be assigned to and become the property of ESSITY for all methods and means of exploitation, for the entire duration of the respective rights and for the whole world. Supplier agrees that it shall sign all documents required or deemed appropriate by ESSITY to effect such assignment.

11.3 To the extent that a Work Product includes any material or information in which Supplier has pre-existing rights, Supplier shall grant to ESSITY a fully paid-up, nonexclusive, worldwide, irrevocable license

to use such material or information for the intended purposes set forth in the Agreement and for the entire duration of these rights.

Supplier shall be free to use or exploit any independently obtained discovery or improvement of its own knowledge or existing rights contained in the Work Product, provided, however, that (i) Supplier shall not disclose the full content of the Work Product, and (ii) said discoveries or improvements shall never include or refer to ESSITY's proprietary and/or confidential information, data, knowledge, technology, processes, products, specifications and any other information that is considered by nature as being confidential and/or proprietary to ESSITY.

12. Insurance

The Supplier shall at all times carry and maintain liability insurance coverage to satisfactorily cover its respective liabilities under the Agreement.

13. Termination

ESSITY may terminate all or any part of the Agreement, without liability to Supplier, upon notice if Supplier (i) breaches the Agreement, (ii) states its intention not to perform or otherwise rejects its obligations under the Agreement, (iii) fails to make progress in performance so as to put at risk timely and proper performance of the Services, or (iv) undergoes a direct or indirect change in control or ownership; provided, however, that if any failure or breach under clauses (i) through (iii) is curable, ESSITY shall provide Supplier with an opportunity to cure within a commercially reasonable period of time, but in no event more than 10 days following ESSITY's notice of default. Termination of the Agreement shall not limit or constitute a waiver of ESSITY's rights or remedies.

14. Confidentiality

Each party agrees not to disclose the other party's confidential information to third parties without the other party's prior consent, nor to use such

confidential information for purposes other than performance of its obligations under the Agreement. Disclosure of such information shall be limited to those officers, employees, consultants and/or agents of the receiving party who have a need to know and who are bound by confidentiality obligations no less stringent than those contained herein. These confidentiality and non-use obligations shall survive for a period of five years from expiration or termination of the Agreement, except with respect to information that constitutes a trade secret or proprietary technical knowledge in which case such obligations shall survive for so long as such information is not publicly known.

16. Cooperation

Supplier shall provide ESSITY, at no additional cost, with such documentation and/or information, as ESSITY may reasonably request. Supplier shall cooperate fully with ESSITY in the event of investigations, enquiries or audits by public authorities or governmental agencies with respect to ESSITY's compliance with laws and regulations.

17 Assignment and Subcontracting

Neither party shall assign or subcontract its rights or obligations under the Agreement without the prior consent of the other party. In the event that ESSITY would authorize Supplier to subcontract part of the Services, Supplier shall not be relieved of any of its responsibilities and obligations under this Agreement and shall be primarily liable for all acts or omissions of any subcontractor.

18. Communications

Notices, demands, consents and any other communications related to the Agreement must be in writing, all of which shall be deemed to have been properly served if delivered to the other party's contact person designated in the Purchase Order by (a) a recognized overnight courier service, (b) registered mail or (c) email.
